A Dollhouse to Die For (A Deadly Notions Mystery Book 2) Cate Price

Daisy Buchanan thinks of her shop, Sometimes a Great Notion, as more than just a business. For her, it's a haven of vintage sewing notions and other treasures, excellent coffee, and camaraderie. But when an antique dollhouse provokes some bizarre behavior on the part of a customer, Daisy makes it her business to find out what secrets are hidden behind its tiny doors...

At an estate auction, Daisy is delighted to find the perfect present for a young girl she knows—a charming dollhouse in need of restoration. But when local collector Harriet Kunes tries to strong-arm Daisy into selling it, she's in for a shocking—and deadly—surprise.

After an intruder breaks in and tries to steal the dollhouse, Daisy wonders why everyone has developed such an obsession over it. As she builds her collection of clues, she suspects that the miniature Victorian holds the key to a second unsolved murder, and soon she stumbles across much more than she bid on...

Includes creative tips for vintage notions!
