Buck Brannaman

Faraway Horses: The Adventures and Wisdom of One of America's Most Renowned Horsemen Buck Brannaman

"I've started horses since I was 12 years old and have been bit, kicked, bucked off and run over. I've tried every physical means to contain my horse in an effort to keep from getting myself killed. I started to realize that things would come much easier for me once I learned why a horse does what he does. This method works well for me because of the kinship that develops between horse and rider. " --Buck Brannaman

In *THE FARAWAY HORSES*, Brannaman shares his methods for training and provides a behind-the-scenes glimpse of Robert Redford's movie *The Horse Whisperer*, for which he was the technical advisor.

*Authoritative figure in horsemanship

*Reveals the key to understanding animals

BUCK BRANNAMAN is a horse gentler--not a horse "breaker"--who has started more than 10,000 young horses in his clinics. He lives with his family in Sheridan, Wyoming.

WILLIAM REYNOLDS is the associate publisher of *Cowboys & Indians* magazine. He lives with his family in Santa Ynez, California.
