May Earth Rise (Dreamer's Cycle) Holly Taylor

In this conclusion to a powerful saga, cruel deprivation and a full-scale conflict bring the Y Dawnus to the brink of annihilation. In the land of Kymru, High King Arthur has designated the talented pillars of society as the Gifted. These Gifted peoples are essential to his empire. When they are taken captive by the Corianans, King Arthur confronts his mortal enemy, Havgan the Warleader—a formidable opponent backed by menacing powers that threaten to end the magic in Kymru. Forced to enter a treacherous realm where captives are collared and sacrificed, where ruthless territorial boundaries are drawn and enforced, and where death by poisoning and torture are the norm, King Arthur and those loyal to him must fight to save their way of life and to liberate the Gifted. In this captivating and stirring fantasy, only the strongest survive in the pursuit of freedom. Only the deepest passion will drive away the evil that lurks in this mystical land of fragile kingdoms, powerful warlords, and ancient magic.
