The appeal of American Sign Language (ASL) has extended beyond the Deaf community into the mainstream—it's even popular as a class in high school and college. You are guided through the basics of ASL with clear instruction and more than 300 illustrations. With a minimum of time and effort, you will learn to sign: the ASL alphabet; questions and common expressions; numbers, money, and time. With info on signing etiquette, communicating with people in the Deaf community, and using ASL to aid child development, this book makes signing fun for the entire family.
