When Jackson Cooper is suddenly sucked into another world, he must find the courage to fight an evil monster before it destroys everything in its path!

Even on his birthday, nothing is going right for Jackson Cooper. His friends think he's a wimp for not biking down a steep hill, and his father, who's always in a bad mood since he lost his job, is acting weirder than normal. To top it off, Jackson has to babysit his little sister. The year is off to a rough start. To take his mind off his bad luck, Jackson decides to go on a walk through the woods but gets caught in a storm. While taking shelter in a nearby cave, Jackson pulls a peculiar stone from the wall—and is suddenly transported to another world!

The inhabitants of this strange new place called Timmra believe that Jackson is the chosen one, a promised gift from their god to protect them from a beast bent on ending the universe. But can Jackson overcome his fears in time to save the Timmrans, or is he truly the wimp his friends think he is?
