The Fourteenth Day: JFK and the Aftermath of the Cuban Missile Crisis: Based on the Secret White House Tapes David Coleman

“A portrait of the JFK White House after the Cuban Missile Crisis as it really was . . . human and revealing.”—Evan Thomas

Popular history marks October 28, 1962, as the end of the Cuban Missile Crisis. Yet as JFK’s secretly recorded White House tapes reveal, the aftermath of the crisis was a political and diplomatic minefield. The president had to push hard to get Khrushchev to remove Soviet weaponry from Cuba without reigniting the volatile situation, while also tackling midterm elections and press controversy. With a new preface that highlights recently declassified information, historian David G. Coleman puts readers in the Oval Office during the turning point of Kennedy’s presidency and the watershed of the Cold War.
