HAVE YOU EVER SEEN A ... VICKI DAUM

This is a collection of 21 different water color paintings. Each painting is a puzzle and you have to come up with the word or words that the puzzle is about. The answer is given in a "pop up". It is in American English, but you only have to google the meaning to find it in another language, if you don't already know. Some answers are universal in English and some are not. For non-English speakers, it can help you to learn a bit about the American language, which is a puzzling in it's self. The paintings are all done by Vicki Daum who lives in a village in France. She also paints portraits, labels, flowers, animals and dreams and she does accept commissions.
