Profesor en la trinchera, el (Ensayo (la Esfera)) (Spanish Edition) Jose Sanchez Tortosa

El profesor en la trinchera presenta un diagnóstico de la situación actual de la enseñanza media en España a través de las escenas que, a diario, se viven en las aulas. Una «guerra» que se libra entre dos polos: la tiranía de los alumnos defendiendo su ignorancia y la frustración de los profesores tratando de combatirla.

El autor de esta obra, profesor él mismo en un centro madrileño, se aproxima a este tema tan actual utilizando una atractiva comparación con el universo Matrix: el maestro, o Morfeo, sería el liberador estresado, y el alumno, Neo, el esclavo liberado. Al igual que ocurriera en el platónico mito de la caverna, la educación consiste en ayudar al esclavo a salir de la ignorancia, algo que nunca haría por sí solo. Por ello es fundamental que el docente no deteste su trabajo y que quiera luchar cada día contra la desesperación que le provoca su condición de Hombre Invisible, bufón, obstáculo, enemigo... a los ojos de sus alumnos, esos mutantes con el gesto de Bart Simpson en el rostro.

Un libro que aborda con rigor desenfadado un problema real que afecta hoy a miles de educadores.
