In what could be a tale from the Arabian Nights, a girl grows up in thirteenth century Persia to be so desirable that she is kidnapped several times for her beauty. She finds refuge at last in the arms of a prince, who marries her and makes her a princess. With him she rules a nation and is so wise that, on his death, the people ask her to continue as their sovereign. But at the end of her long reign, she is remembered above all for her kindness and compassion. This book brings to life the story of Qutlugh Terkan Khatun, a real and remarkable princess who brought her people a golden age of peace and prosperity.

Richly illustrated and narrated with humor, The Thinking Girl's Treasury of Real Princesses brings to life the stories of real and remarkable princesses who managed to do what few thought possible.
