The uprising has begun.

It's been seven days since Clementine and Logan, along with their allies, retreated into hiding on the Surface. The rebels may have won one battle against Commander Charlie, but the fight is far from finished. He has vowed to find a way to win--no matter the cost. Do the rebels have what it takes to defeat him...and put an end to this war?

As Clementine and Logan enter a desperate race against time to defeat Commander Charlie--and attempt to weaken his power within his own ranks--they find themselves in a terrifying endgame that pits them against a brutal enemy, and each other. With every step, Clementine draws closer to losing Logan...and losing control of herself.

Continuing with the mesmerizing saga that started with Extraction, Stephanie Diaz blends science fiction, epic romance, and heart-stopping adventure to create a world that no reader will soon forget.
