Sin ataduras (HQN) (Spanish Edition) Susan Andersen

Algunos errores merece la pena repetirlos.

La noche que Tasha Riordan pasó con Luc Bradshaw fue la mejor de su vida. Las dos siguientes fueron las peores: Luc desapareció sin dejar rastro y ella se vio arrojada a una prisión de las Bahamas, acusada de un delito que no había cometido. Ahora, siete años después, el agente secreto de la DEA había vuelto. Había invadido su ciudad. Su restaurante. Sus fantasías. Tasha no podía confiar en un hombre que le había mentado. Pero la química que había entre ellos era tan explosiva que tampoco podía fiarse de sí misma.

Luc se había quedado atónito al descubrir que tenía dos hermanos. Saber que vivían en la misma ciudad que Tasha había despertado en él una emoción muy distinta. La atracción que sentían el uno por el otro seguía siendo algo fuera de lo corriente, aunque Luc no conseguía convencerla de que creyera su versión de lo sucedido siete años atrás. Por suerte, tenía poderes de persuasión más contundentes que las palabras. Porque nunca antes había sentido algo tan especial por una mujer.
