Smartest Doctor In The Room: How Doctors And Dentists Are Outwitting Wall Street Stephen E Gardner

This book will build your retirement—contractually. Whether you've lost big in the Wall Street casino or you're looking to avoid losing money altogether, here is the blueprint for contractually growing your money outside of the stock market. What if you could walk into equity from day one instead of waiting around, hoping your money grows on its own? Think about it—what if you could buy into an asset that has never missed a payout? What if you could position your retirement to grow on autopilot and not have to worry about ever losing money in the stock market again? What if you could use your medical expertise to finally buy into investments that you can fully understand? Become the smartest doctor in the room by learning how to: Position yourself to receive equity from day one by buying discounted insurance contracts from the most stable insurance companies in the world. Tap into the wealth growing power of the life insurance industry like the banks. Never again will you have to grow equity once you've learned how to buy it! Earn contractual gains using your medical experience. Now you can learn what the big banks are doing to safely grow their money. You'll see how a hidden asset has generated billions of dollars by buying double digit equity versus trying to grow it. Quit wasting your time listening to the self-proclaimed guru's on TV. Quit speculating on the stock market. Would it give you peace of mind to know how much your money will increase 5 or 10 years from now? Learn how your medical background could be the key to the smartest investment alternative around.
