Value Engineering Mastermind: From Concept to Value Engineering Certification (Response Books)

Anil Kumar Mukhopadhyaya

This jargon-free book demystifies all the concepts required for a well rounded understanding of the theory of Value Engineering (VE) and Value Engineering Certification Programmes.

Value Engineering Mastermind: From Concept to Value Engineering Certification helps the readers to:

" Understand VE concepts.

" Practise VE concepts and acquire the Society of American Value Engineers (SAVE) International Certifications-accorded in India by the Indian Value Engineering Society (INVEST).

A special feature of this book is a set of questions at the end of every chapter to test the knowledge acquired, with answers at the end of the book.

Since the book provides insights into the development of managerial traits through VE, it will be an important resource for companies that have begun to provide VE training to their employees, besides students of engineering and MBA courses. It will also be of much use to professional societies like the Indian Value Engineering Society, the Society of Indian Value Management, SAVE International, etc.
