When Randolph Turned Rotten Charise Mericle Harper

MOST OF THE TIME, Randolph is very, very nice. But when his friend Ivy gets invited to a really great sleepover birthday party and he doesn't, Randolph feels a little left out, and sad, and mad. And then he goes a little crazy! Will he ever turn back to the nice friend he once was? We hope so! This nutty friendship story recognizes that even best friends aren't always good friends (sometimes they can be downright rotten!). Kids' squirmier feelings are conveyed with good humor and empathy in this reassuring tale about the icky feelings we all have, even though we are mostly very, very nice.
