**Atención temprana en Educación Infantil (Spanish Edition)** Rosalía E. Aranda Redruello

Este libro es un compendio amplio y global para la formación de maestros, padres y educadores de modo que puedan dar respuesta a todas las necesidades de la educación del niño de 0 a 6 años. El concepto de atención temprana partió de la oferta educativa para niños que presentaban algún tipo de discapacidad, por lo que se orientaba sobre todo a fines rehabilitadores. Hoy día se considera que lo que sucede en el primer periodo de la infancia es determinante de las etapas posteriores, por lo que se orienta más a la prevención y a la estimulación. Y éste es el objetivo principal del libro: que padres, maestros y educadores puedan atender a las necesidades de todos los niños, con y sin dificultades, para lograr su máximo desarrollo y su mejor integración escolar y social.
