Encompassing God

David Adam

Encompassing God David Adam

More than any other part of the Old Testament, the book of Psalms reveals to us the intimacy possible between God and humanity. As songs and prayers of praise and lament, the psalms are unsurpassed in their variety, depth and range. They encompass the whole breadth of human emotion: hatred and love, despair and joy, resentment and gratitude, fear of abandonment and deep trust. They encourage us to be honest and thorough in our dealings with God, and they teach us how to praise him, seek him and rest in him. Using personal anecdote, a witty and lively style, and drawing on his considerable theological knowledge, John Goldingay takes us deep into the unfolding story of the Old Testament.
