He let her father chase him off once, but this time nothing is getting in his way.

Fletcher Stone was forced out of the pack life, and now he makes his living as a hired thug, living day-to-day without honour or commitments. Shame over his choices and his lifestyle keep him from returning to the pack to claim Delaney — the woman who holds his heart. But when a rival pack hires him to kidnap her, Fletcher takes his chance. Now he must convince her that he never wanted to leave...and reveal a betrayal that will break her heart.

Delaney Jones has spent the last five years convinced the man she loves is dead. Nothing else would keep him from her. So when Fletcher shows up, whole, healthy, and very much alive, she's devastated — and pissed off. He broke her heart once and he's never going to get close enough to do it again.
