Calum and Beth are soul mates who have lived many lives together, lusting, loving, and dying for each other. While their lives are often turbulent, their eternal bond is secure - or so Calum thinks - until Beth decides to live a life on her own. Left behind in the Upper World, he sees a wrongful imprisonment in her future, so he bargains with Finn, an elven trickster, to return to Earth, rescue Beth, and reclaim her heart. Unfamiliar with the twenty-first century, he must determine who plots against Beth while playing Finn's sensual game, a game designed to awaken her repressed passion and keep them on the run together.

Beth has no recollection of their lives together and didn't ask this sexually charged stranger to come to her aid. When she takes a risk to help an abused woman, she is horrified to find her house ransacked and her life threatened. With a secret to keep, she takes the greatest risk of all - trusting Calum. Her life soon depends upon re-evaluating everything she thought normal as she becomes embroiled in Finn's game. Her eternal bond with Calum will only be saved if Beth can rescue the man who spanned worlds to rescue her.
