## **Making the Most of Your College Education** Marianne Ragins

*Making the Most of Your College Education* demonstrates that in order to be more competitive and marketable in the workplace, it is necessary to partake of the myriad opportunities the college/university environment holds. This invaluable guide, rich with anecdotes from students across the nation, presents the many overlooked and underutilized resources that college campuses offer. It illustrates how learning begins in, and extends far beyond, the classroom.

This indispensable book shows you how to pack your college years with career-building experiences that can lead to graduate and professional schools clamoring to admit you; how to write an impressive professional resume; and how to gain keen entrepreneurial skills, an investment portfolio, and multiple job offers.
