From the author of *The Devil Made Me Do It*

The full-figured Esther Redding doesn't realize it, but she desperately needs a change. Her Cinderella tiara is tarnished, and her glass slippers cracked. No longer any one's knight in shining armor, Briggs Stokes always had a soft spot for Esther. She was in his blood, and he didn't want a transfusion. When he returns to Detroit, he decides that nothing will keep him from her door. Well, nothing . . . but the once reformed bad girl, Monica Stokes Hawthorne, Briggs's ex, who wants to be his—give me one more chance, again—wife. The resulting tug-of-war that ensues may be the catalyst that destroys the person they both love the most.

More than one household is upset when the prison doors swing open and a “rehabilitated” Roger, Esther's ex, returns home. Following Roger is a sinister force so malicious that no one in their community will be left untouched.

When truth is held hostage by lies, mayhem ensues. And when it does, the lives of Esther, Briggs, Monica, and Roger are forever changed. Don't blink—pray—these shenanigans are too shocking to miss . . . The second stand-alone book in the Heaven over Hell trilogy.
