Changeling Kelly Meding
HEROES FOR HIRE

After barely escaping a madman's attempt to annihilate all MetaHumans, Kelly Meding's supernatural crime fighters have banded together to take back the streets of war-ravaged Los Angeles.

Dahlia "Ember" Perkins still feels like an outsider among her new Meta friends, despite everything she's been through since coming into her miraculous ability to absorb heat and extinguish fires. But when the police need help investigating human skins discarded like slipcovers on the street, the Metas' youngest team member quickly finds her place. Evidence points to a murderer the likes of which they have never encountered but who inexplicably seems to be gunning for Dahlia—and who may be neither human nor Meta. After a bullet meant for her nearly kills one of her teammates, Dahlia uncovers a connection to the crimes buried deep in her past. As the danger escalates and her personal life falls apart, Dahlia soon learns there's no such thing as a "normal" relationship when you're a superhero. . . .

From reader reviews:

Aracely Schneider:

In this 21st century, people become competitive in every way. By being competitive currently, people have to do something to make all of them survive, being in the middle of typically the crowded place and notice by surrounding. One thing that sometimes many people have underestimated the idea for a while is reading. That's why, by reading a publication your ability to survive rises then having a chance to remain than others is high. For yourself who want to start reading some sort of book, we give you this particular Changeling book as a beginning and daily reading reserve. Why, because this book is usually more than just a book.

Sylvia Dozier:

The reserve with the title Changeling possesses a lot of information that you can find out. You can get a lot of benefit after reading this book. This book exists new information that exists in this publication represented the condition of the world today. That is important to you to know how the improvement of the world. This specific book will bring you throughout the new era of internationalization. You can read the e-book on the smart phone, so you can read it anywhere you want.

Jennifer Randolph:

Do you have something that suits you such as a book? The reserve lovers usually prefer to decide on books like comic, limited story and the biggest the first is novel. Now, why not hoping Changeling that gives your enjoyment preference will be satisfied by reading this book. Reading routine all over the world can be said as the opportunity for people to know the world better than how they react towards the world. It can't be stated constantly that reading practice is only for the geeky particular person but for all of you who want to always be a success person. So, for all you who want to start reading as your good habit, you are able to pick Changeling as your starter.

Rena Campbell:

Are you kind of a busy person, only have 10 or 15 minutes in your day to upgrading your mind ability or thinking skill even analytical thinking? Then you are having a problem with the book than can satisfy your short period of time to read it because all of this time you only find e-books that need more time to be gone through. Changeling can be your answer as it can be read by you who have those short free time problems.
