**Estrategias de Estudio: Consejos para aprobar los exámenes (Spanish Edition)** Miguel M. Macieira  
Muchos libros y artículos ya se han escrito con el fin de explicar las maneras más simples y efectivas para estudiar. El hecho de que muchos recursos ya fueran empleados en este proceso, demuestra que estudiar puede ser una tarea ardua. Sin embargo, no precisa ser así.

A pesar de que los métodos disponibles actualmente no funcionan para todas las personas, siempre se puede contar con un buen intento/error para identificar los modos que facilitan nuestro viaje al conocimiento y al aprendizaje.

Aunque los consejos de estudio aquí presentados no sustituirán al esfuerzo necesario para obtener buenas notas y pasar las pruebas y exámenes, cada idea valiosa dirigida a esos objetivos es muy bienvenida, ya que el proceso de aprendizaje es, frecuentemente, bastante cansado.

En este libro, compilamos en la primera parte, las orientaciones básicas para que los estudiantes se desenvuelvan mejor en las tareas que les competen; y, en la segunda parte, aportamos consejos específicos, así como estrategias para poner en práctica un “plan de emergencia” para exámenes.
