**Lance Armstrong's War: One Man's Battle Against Fate, Fame, Love, Death, Scandal, and a Few Other Rivals on the Road to the Tour de France** Daniel Coyle

*Lance Armstrong's War* is the extraordinary story of greatness pushed to its limits; a vivid, behind-the-scenes portrait of perhaps the most accomplished athlete of our time as he vies for a historic sixth straight victory in the toughest sporting event on the planet. It is the true story of a superlative sports figure fighting on all fronts—made newly vulnerable by age, fate, fame, doping allegations, a painful divorce, and an unprecedented army of challengers—while mastering the exceedingly difficult trick of being Lance Armstrong, a combination of world-class athlete, celebrity, regular guy, and, for many Americans, secular saint.

With a new afterword by the author, featuring in-depth reporting on:

- Armstrong's unprecedented seventh consecutive Tour de France victory
- New blood doping allegations
- Armstrong's continuing personal and legal battles, and his retirement

A fascinating journey through the little-known landscape of professional bike racing, *Lance Armstrong's War* provides a hugely insightful look into the often inspiring, always surprising core of a remarkable athlete and the world that shapes him.
