Manual práctico de derecho de extranjería (Manuales profesionales) (Spanish Edition) Eduardo Ortega Martín

Las novedades sociales de las que el libro se ocupa son numerosísimas. Citaremos algunas: las detenciones de los extranjeros y la tan debatida Circular 1/2010, de la Comisaría General de Extranjería y Fronteras; la duración del internamiento de los extranjeros tras la Directiva de Retorno; la acogida por España de presos procedentes de la prisión americana de Guantánamo y la adopción, por el Ministerio del Interior, de medidas al amparo del art. 5 de la Ley de Extranjería; el uso de símbolos religiosos, tan de actualidad después del referéndum suizo sobre los minaretes, las leyes francesa y belga sobre el empleo del burka o el borrador de anteproyecto español de libertad religiosa? Otro de los grandes bloques materiales y normativos en este contexto de la extranjería es el asilo. Por último, la obra va acompañada de un breve anexo normativo que permite tener en un solo volumen toda la información relevante.
