## The Point Is To Change It: Geographies of Hope and Survival in an Age of Crisis (Antipode Book Series)

Commissioned to celebrate the 40th year of *Antipode: A Radical Journal of Geography*, this book evaluates the role of the critical social scientist and how the point of their work is not simply to interpret the world but to change it

- Brings together leading critical social scientists to consider the major challenges of our time and what is to be done about them
- Applies diagnostic and normative reasoning to momentous issues including the global economic crisis, transnational environmental problems, record levels of malnourishment, never ending wars, and proliferating natural disasters
- Theoretically diverse - a range of perspectives are put to work ranging from Marxism and feminism to anarchism
- The chapters comprise advanced but accessible analyses of the present and future world order
