## **The Queen's Daughter** Susan Coventry

Joan's mother is Queen Eleanor of Aquitaine, the most beautiful woman in the world. Her father is Henry II, the king of England and a renowned military leader. She loves them both—so what is she to do when she's forced to choose between them? As her parents' arguments grow ever more vicious, Joan begins to feel like a political pawn.

When her parents marry her off to the king of Sicily, Joan finds herself stuck with a man ten years her senior. She doesn't love her husband, and she can't quite forget her childhood crush, the handsome Lord Raymond.

As Joan grows up, she begins to understand that her parents' worldview is warped by their political ambitions, and hers, in turn, has been warped by theirs. Is it too late to figure out whom to trust? And, more importantly, whom to love?

*The Queen's Daughter* is a 2011 Bank Street - Best Children's Book of the Year.
