## **Written on Our Hearts: Invitations from the Old Testament** Emily Freeman

If you have ever found the Old Testament intimidating, you're not alone. The less-familiar history, themes, and language, coupled with the length of the book, make it a difficult read for many. But author Emily Freeman loves the Old Testament, and as she shares some of the wonderful things she has learned in her study of this book of scripture, you will find yourself coming to love it too.

*Written on Our Hearts* is not a commentary or an intensive doctrinal study. Instead, Emily writes about the *stories* of the Old Testament, stories of trusting and overcoming and enduring and believing. Within these stories are all kinds of applications for the challenges we face today.

"There will come a moment in your life," the author says, "when you or someone you love will struggle with a challenge so great you will wonder how you will make it through. In that moment you will long to better understand the Savior's role as the Deliverer, and to do that you must go to the book of scripture that describes that role the best—the Old Testament."

Discover the delivering power of the Lord yourself in the pages of this book—and experience the scriptures in a new, more personal way!
