Amazing Greek Myths of Wonder and Blunders Mike Townsend

"For fans of either comic books or Percy Jackson, or both."—*School Library Journal*

From Hercules' snake assassin slippers to Arachne's wicked weaver rap songs, these are the mythic monsters and Hellenic heroes that have captured Western culture for centuries--but a whole lot more fun. Each story showcases the wondrous and blunderful antics of gods and mortals in bright graphics that rival the super-heroic action of *The Lightning Thief*, burst with the knock-yoursocks-off humor of Jeff Kinney, and still remain unerringly faithful to the original myth. Kids won't be able to resist the bickering sheep, unruly rulers, and undercover details of *Amazing Greek Myths*--while teachers, librarians, and parents can relish this new way to share moral messages that remain as relevant today as they were a thousand years ago.
