Sharing the gospel with a family member can be an exciting experience—and often a long, painful, and confrontational one. Randy Newman recognizes it can be more difficult and frustrating to witness to a family member than to nearly anyone else. In *Bringing the Gospel Home*, he delivers practical, holistic strategies to help average Christians engage family members and others on topics of faith.

A messianic Jew who has led several family members to Christ, Newman urges Christians to look to the Bible before they evangelize. He writes, “a richer understanding of biblical truth, I have found, can provide a firmer foundation for bold witness and clear communication.” After a brief introduction on the nature of family, he delves into discussions of grace, truth, love, humility, and time. He also addresses issues related to eternity and end-of-life conversations. *Bringing the Gospel Home* will help any Christian as he seeks to guide loved ones into God’s family.
