Cazadores de Dune (Las crónicas de Dune 7) (Spanish Edition) Brian Herbert

Se inicia el gran final de una saga mítica. Tras veinte años de espera llega la continuación, basada en el borrador original de Frank Herbert, de *Casa Capitular Dune*.

Al final de *Casa Capitular Dune*, la última novela que escribió Frank Herbert, una nave en la que viajaban el gholá de Duncan Idaho, Sheeana (la joven que podía controlar a los gusanos de arena) y una tripulación de refugiados huía a los confines de la galaxia, escapando de la temibles Honoradas Matres, las oscuras homólogas de la Hermandad Bene Gesserit. Aunque también las Matres habían tenido que adentrarse en el universo conocido, al ser expulsadas de su planeta original por un temible enemigo.

Años después, este enemigo extraño e implacable sigue asediando la nave de Duncan Idaho. Para ser más fuertes que él, los fugitivos han tenido que recurrir a la tecnología genética del último de los maestros Tleilaxu: así podrán revivir las figuras míticas del pasado, incluidos Paul Muad'Dib y su amada Chani, Lady Jessica, Stilgar, Thufir Hawat y el doctor Wellington Yueh. Cada uno de ellos deberá usar sus habilidades especiales para hacer frente a los desafíos que se le presentan.

El fracaso es impensable. No solo su supervivencia está en juego: también la de la humanidad entera.

Reseña:

«No conozco nada que se le pueda comparar exceptuando *El señor de los anillos*.»

Sir Arthur C. Clarke, acerca de *Dune*
