Could We? A Book of Wishes is a charming read-aloud book for young children, perfect for parents and family to reinforce a positive can-do attitude in children. Inspired by her sassy, independent, and energetic daughter, Jessica Williams Hasley wrote *Could We? A Book of Wishes* to instill creativity and imagination in her daughter every day. We can teach our children they can do anything. They can believe in fairies and mermaids. They can grow flower gardens and build forts. And they can paint, dance, twirl, and love with all their hearts. This is an eLIVE book, meaning each printed copy contains a special code redeemable for the free download of the audio version of the book.
