On the surface, Brecee Carmen has nothing in common with Adrian Cole. She is a pediatrician certified in trauma care; he is a transportation problem-solver for a luxury car dealership (a.k.a., a car salesman). Despite their slow but steady attraction to each other, neither one of them is sure that they're compatible. To complicate matters, Brecee is the sole unattached Carmen daughter when it seems as though everyone else around her, family and friends, is finding love. Through a series of discoveries, Adrian and Brecee learn that things don't always happen by coincidence. Generational forces are at work, keeping promises, protecting family members, and perhaps even drawing Adrian back to the church he had strayed from. Is it possible that God has been playing matchmaker all along?
