Overseas Students in Higher Education: Issues in Teaching and Learning

Overseas Students in Higher Education: Issues in Teaching and Learning

Higher education institutions are increasingly concerned with the quality of their teaching and learning experiences they provide for students, including the increasing number from overseas. In this text, some of the leading authorities in the field bring together current research and sound practical advice on the provision of quality teaching and learning for overseas students. The text represents a wide range of overseas students' experiences from the Pacific Rim, China and the European Community.
