Something More Than This Barbie Bohrman

Katy Lewis has it all: a sports reporting job she loves, a great roommate, and two brothers who, while nosy, always have her back. But when Conner Roberts, Katy's unrequited first crush, suddenly shows up—and shows interest—after nine years, she reverts to a sweaty, panicked sixteen-year-old once more.

And if trying to read Conner's signals isn't tough enough, Katy's heart is sending some mixed messages of its own. When a beautiful blonde coworker starts pursuing Katy's boss, Dylan Sterling—her longtime mentor and friend—she realizes she may have a problem with that. A reunion with Conner is what she's dreamed of for so long...so why can't she stop thinking about Dylan?

For the first time ever, Katy must fact-check her heart. Should she go after the guy she thought she always wanted or see if there's something more with the one who's been there all along?

From reader reviews:

Mary Davis:

Book will be written, printed, or illustrated for everything. You can recognize everything you want by a guide. Book has a different type. As it is known to us that book is important matter to bring us around the world. Adjacent to that you can your reading ability was fluently. A book Something More Than This will make you to become smarter. You can feel more confidence if you can know about almost everything. But some of you think this open or reading some sort of book make you bored. It isn't make you fun. Why they can be thought like that? Have you in search of best book or suitable book with you?

Sonya Ewing:

Here thing why this specific Something More Than This are different and dependable to be yours. First of all looking at a book is good but it depends in the content of computer which is the content is as delightful as food or not. Something More Than This giving you information deeper since different ways, you can find any e-book out there but there is no publication that similar with Something More Than This. It gives you thrill examining journey, its open up your own personal eyes about the thing that happened in the world which is perhaps can be happened around you. You can easily bring everywhere like in park, café, or even in your technique home by train. For anyone who is having difficulties in bringing the printed book maybe the form of Something More Than This in e-book can be your choice.

Jacki Peters:

Nowadays reading books be a little more than want or need but also become a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The info you get based on what kind of guide you read, if you want have more knowledge just go with education books but if you want feel happy read one together with theme for entertaining such as comic or novel. The actual Something More Than This is kind of e-book which is giving the reader unpredictable experience.

Robert McCauley:

Information is provisions for people to get better life, information these days can get by anyone with everywhere. The information can be a know-how or any news even a huge concern. What people must be consider when those information which is inside former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one the particular resource are convinced. If you receive the unstable resource then you understand it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Something More Than This as the daily resource information.
