Success in Accounting begins here!

The technical details you need to know and decision making processes you need to understand, with plain language explanations and the power of unlimited practice.

Accounting is an engaging resource that focuses on current accounting theory and practice in Australia, within a business context. It emphasises how financial decision-making is based on accurate and complete accounting information and uses case studies to illustrate this in a practical way.

The new seventh edition is accurate and up-to-date, guided by extensive technical review feedback and incorporating the latest Australian Accounting Standards. It also provides updated coverage of some of the most significant current issues in accounting such as ethics, information systems and sustainability.
