**Brook Street: Thief (Brook St. Trilogy)** Ava March

*London, 1822*

*It was only supposed to be one night.* One night to determine once and for all if he truly preferred men. But the last thing Lord Benjamin Parker expected to find in a questionable gambling hall in Cheapside is a gorgeous young man who steals his heart.

*It was only supposed to be a job.* Cavin Fox has done it many times—select a prime mark, distract him with lust, and leave his pockets empty. Yet when Cavin slips away under the cover of darkness, the only part of Benjamin he leaves untouched *is* his pockets.

With a taste of his fantasies fulfilled, Benjamin wants more than one night with Cavin. But convincing the elusive young man to give them a chance proves difficult. Cavin lives with a band of thieves in the worst area of London, and he knows there's no place for him in a gentleman's life. Yet Benjamin isn't about to let Cavin—and love—continue to slip away from him.
