Conquest and Union: Fashioning a British State 1485-1725

Steven G. Ellis, Sarah Barber

Conquest and Union: Fashioning a British State 1485-1725 Steven G. Ellis, Sarah Barber

The British Isles is a multi-national arena, but its history has traditionally been studied from a distinctively English -- often, indeed, London -- perspective. Now, however, the interweaving of the distinct but mutually-dependent histories of the four nations is at the heart of some of the liveliest historical research today. In this major contribution to that research, eleven leading scholars consider key aspects of the internal relations of England, Scotland, Ireland and Wales in the early modern period, and the problems of accommodating different -- and resistant -- cultures to a single centralizing polity.

The contributors are: Sarah Barber; Toby Barnard; Ciaran Brady; Keith M. Brown; Jane Dawson; Steven G. Ellis; David Hayton; Philip Jenkins; Alan Macinnes; Michael Mac Craith; and John Morrill.
