From Book 1:

The Cat's Meow by Stacey Kennedy

When a magical presence is detected around a recent string of feline slayings, Libby, an enchantress, is determined to discover who is behind the odd deaths. But being a witch gifted by the Goddess won't protect her from the talented warlock the Coven sends to assist her. Kale weaves a spell more powerful than any she's ever seen--and he's sexy as sin. But why he's even needed for such a simple mission is beyond her. While having some muscle around can't hurt her investigation, fighting her growing attraction for Kale is worse than a hex, especially considering she knows he--and their Coven--are hiding something from her. When she turns up clues that point to something far more sinister than slaughtered cats, though, the elusive warlock isn't the her only concern. She now has a political rebellion on her hands, too. And when the truth about who she really is begins to surface, the only person Libby can trust is herself.
