## **Popular World Music** Andrew Shahriari

Exploring Popular World Music is the first introductory level text written to introduce students to popular music styles from around the world. Focusing on styles that all students will know -- from Reggae to Klezmer, from Afro-Pop to Kodo drums--the book offers a comprehensive, listening-oriented introduction to the world's popular musical cultures. Each chapter will focus on a specific music style and its associated geographic locale. The salient musical and cultural features associated with each example are discussed in detail to increase our appreciation of the music. Relevant artists will be highlighted and suggestions for further reading and listening will be offered. By the end of the book, the student should be able to 1) recognize a variety of world music styles, 2) articulate musical and cultural knowledge associated with each style, and 3) identify important artists related to the genre. Supplementing the text will be a web site fcreated by the author) featuring the author's world music map, enabling students to explore pop music cultures as they relate to each other; as well as an iTunes playlist for all the highlighted selections in the book. This book should strongly appeal to Intro to World Music Courses for non-majors who wish to study popular rather than traditional musics of the world, which would encompass a large majority of students enrolled in these courses.

### **From reader reviews:**

#### **Aaron Ryan:**

As people who live in typically the modest era should be up-date about what going on or information even knowledge to make these keep up with the era which is always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice for yourself but the problems coming to you is you don't know what type you should start with. This Popular World Music is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

#### **Jose Williams:**

With this era which is the greater person or who has ability in doing something more are more valuable than other. Do you want to become considered one of it? It is just simple approach to have that. What you must do is just spending your time not very much but quite enough to have a look at some books. One of many books in the top record in your reading list is Popular World Music. This book that is certainly qualified as The Hungry Hillside can get you closer in turning into precious person. By looking upward and review this reserve you can get many advantages.

#### **Gwendolyn Mullins:**

That e-book can make you to feel relax. That book Popular World Music was vibrant and of course has pictures on there. As we know that book Popular World Music has many kinds or category. Start from kids until teens. For example Naruto or Private eye Conan you can read and feel that you are the character on there. Therefore not at all of book are make you bored, any it makes you feel happy, fun and unwind. Try to choose the best book for you personally and try to like reading in which.

#### **Verna Hibbard:**

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this Popular World Music can make you feel more interested to read.
