What Is Repentance? Joseph Dearing

The subject of repentance has been both a source of confusion and contention for quite awhile. Some say that repentance is absolutely necessary before salvation can occur. Others teach that one need only repeat a prayer and salvation is a foregone conclusion. Worse yet, both groups seldom go to the Bible to see what it teaches about the subject. Instead, they draw their conclusions first and then go to whatever passages they can use to reinforce what they teach and preach.

In this little booklet Joseph Dearing, a truly serious student of the Bible, goes to the Bible in an objective manner to identify just what biblical repentance really is. Then, remarkably he explains it in an amazingly short treatise which is both easy to read and understand. I believe anyone who reads this work with an honest heart will come away saying Dearing did his subject justice with openness and objectivity.
