GateIn Cookbook Ken Finnigan, Luca Stancapiano, Piergiorgio Lucidi

In Detail

Enterprises have websites constructed in different web frameworks and the need for them to work together cohesively. GateIn will provide the solution to effectively integrate them into a single website. GateIn is an open source website framework that does more than a web framework by letting you use your preferred one.

This GateIn Cookbook provides solutions whether you're planning to develop a new GateIn portal, migrate a portal, or only need to answer a specific query. It is filled with bite-sized recipes for quick and easy problem resolution. From the beginning to the end it will guide you through the process of configuring and securing a portal, managing content and resources, and developing applications as you go.

Beginning with installation and configuration, the book swiftly moves on to discussing content, users, and security. The second half covers all aspects of developing on a portal, such as portlets, gadgets, migration, and integration.

The goal of the book is to show GateIn as an open source website framework piece by piece. Starting with simple recipes, you will see each step analyzed with code examples and images, before progressing to more advanced recipes.

This GateIn Cookbook will help you with a quick approach to building portals.

Approach

The cookbook style is a series of practical recipes which represent solutions to problems and popular activities in a concise but detailed manner.

Who this book is for

Portal Developers will need an introductory understanding of portals and portlets, and how they work together to create pages of cohesive content as ECMs, to make the most of this book. Some Java experience is assumed.

From reader reviews:

Gabrielle Oneal:

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite e-book and reading a publication. Beside you can solve your long lasting problem; you can add your knowledge by the reserve entitled GateIn Cookbook. Try to stumble through book GateIn Cookbook as your good friend. It means that it can for being your friend when you experience alone and beside those of course make you smarter than before. Yeah, it is very fortunated for yourself. The book makes you much more confidence because you can know every little thing by the book. So , let's make new experience and also knowledge with this book.

Robert Stitt:

Inside other case, little folks like to read book GateIn Cookbook. You can choose the best book if you'd prefer reading a book. As long as we know about how is important some sort of book GateIn Cookbook. You can add information and of course you can around the world by just a book. Absolutely right, mainly because from book you can know everything! From your country until eventually foreign or abroad you will find yourself known. About simple factor until wonderful thing you could know that. In this era, we can open a book or maybe searching by internet system. It is called e-book. You need to use it when you feel fed up to go to the library. Let's study.

Tanya Nolan:

What do you concentrate on book? It is just for students because they're still students or it for all people in the world, what the best subject for that? Merely you can be answered for that issue above. Every person has various personality and hobby for each other. Don't to be forced someone or something that they don't want do that. You must know how great in addition to important the book GateIn Cookbook. All type of book can you see on many options. You can look for the internet methods or other social media.

Wendy Kroll:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's heart or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this GateIn Cookbook can make you sense more interested to read.
