Iván Herrera Michel

Las Herramientas Masónicas (Spanish Edition) Iván Herrera Michel

La masonería como tradición iniciática se arraiga en la experiencia de la acción constructiva, en el trabajo creador, en la confección y estudio de las herramientas, a través de las cuales el ser humano multiplica su capacidad de acción y dialoga con el mundo que habita.

En la elección de sus herramientas elige el ser humano sus proyectos, su originalidad personal y sobre todo le descubre el problema de su propio ser: la inquietud de sí mismo (Michel Foucault) que ha sido desde siempre la tarea del pensamiento filosófico y de la espiritualidad humana, el precepto del Oráculo de Delfos -gnothi seauton- concómete a ti mismo.

No es casualidad por eso que Iván Herrera Michel haya escogido el análisis de las herramientas, su significado simbólico y su valor hermenéutico para entender el método masónico.
