**The Dream Alchemist (Somnus Book 1)** Joanna Chambers

When the sun goes down, their passion awakens...and so do their nightmares.

*Somnus, Book 1*

Centuries ago, a man with Bryn Llewelyn's dreamwalking ability would have been a shaman or a priest. In this time, he's merely exhausted, strung out on too much caffeine and too little sleep.

Sleep means descent into Somnus—an alternate reality constructed of the combined dreaming consciousness of ordinary humans. A place he'd rather avoid. Trouble is, his powers don't include the ability to go without sleep indefinitely. At some point his eyes close...and his nightmare begins.

As a teen, the treatment that cured Laszlo Grimm's sleep disorder stole his dreams—and his ability to feel emotion. Petrified of needing more “treatment”, he clings to familiar rituals and habits. But lately his nightly terror has returned, and when he meets Bryn in the real world, the man seems hauntingly familiar. Not only that, Bryn awakens feelings in Laszlo for the first time in years...

Slowly Bryn and Laszlo realize they are both unknowing pawns in a plan of unspeakable evil. And that their powerful attraction could release the destinies locked within them—or be the instrument of their doom.

Warning: Contains the stuff of your lusiest dreams—and most frightening nightmares. You may want to read with a candle at the ready...just in case the lights go out.
