Recasting East Germany: Social Transformation after the GDR

Recasting East Germany: Social Transformation after the GDR

The transformation of east Germany since unification has wrought vast changes in the economy and in society and left deep scars as the types of social protection offered by the centralised socialism of the previous regime gave way to uncertainties and individualised life chances. Social Transformation in Eastern Germany investigates the deep economic and social processes which east Germany has undergone, highlighting the restructuring, the social impacts and the stresses of adjustment experienced by key social groups whose workplace and social context has been recast almost out of recognition since 1990.
