## **Slumberland: A Novel** Paul Beatty

Critical darling Paul Beatty's highly original, widely praised novel of race, identity, and underground music.

After creating the perfect beat, DJ Darky goes in search of Charles Stone, a little know avant-garde jazzman, to play over his sonic masterpiece. His quest brings him to a recently unified Berlin, where he stumbles through the city's dreamy streets ruminating about race, sex, love, Teutonic gods , the prevent defense, and Wynton Marsalis in search of his artistic-and spiritual-other.

Ferocious, bombastic, and laugh-out-loud funny, *Slumberland* is vintage Paul Beatty and belongs on the shelf next to Jonathan Lethem, Colson Whitehead, and Junot Diaz.
