The Ghost of Down Hill (Fantasy and Horror Classics) Edgar Wallace

Edgar Wallace was a hugely successful author who over the course of his career produced some 173 books and seventeen plays. These were largely adventure narratives with elements of crime or mystery, and usually combined a bombastic sensationalism with hammy violence. First published in 1929, 'The Ghost of Down Hill' is one of his best-remembered novellas. Many of the earliest ghost stories and tales of hauntings, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
