Wild Cards I Wild Cards Trust

Back in print after a decade, expanded with new original material, this is the first volume of George R. R. Martin's Wild cards shared-world series

There is a secret history of the world—a history in which an alien virus struck the Earth in the aftermath of World War II, endowing a handful of survivors with extraordinary powers. Some were called Aces—those with superhuman mental and physical abilities. Others were termed Jokers—cursed with bizarre mental or physical disabilities. Some turned their talents to the service of humanity. Others used their powers for evil. Wild Cards is their story.

Originally published in 1987, *Wild Cards I* includes powerful tales by Roger Zelazny, Walter Jon Williams, Howard Waldrop, Lewis Shiner, and George R. R. Martin himself. And this new, expanded edition contains further original tales set at the beginning of the Wild Cards universe, by eminent new writers like Hugo-winner David Levine, noted screenwriter and novelist Michael Cassutt, and *New York Times* bestseller Carrie Vaughn.

At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

From reader reviews:

Wayne Santiago:

What do you concerning book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your spare time? Or are you busy particular person? If you don't have spare time to perform others business, it is make one feel bored faster. And you have time? What did you do? Every individual has many questions above. They should answer that question simply because just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this kind of Wild Cards I to read.

John Cleveland:

Here thing why this particular Wild Cards I are different and trusted to be yours. First of all studying a book is good however it depends in the content of it which is the content is as yummy as food or not. Wild Cards I giving you information deeper since different ways, you can find any e-book out there but there is no e-book that similar with Wild Cards I. It gives you thrill examining journey, its open up your current eyes about the thing which happened in the world which is might be can be happened around you. You can actually bring everywhere like in area, café, or even in your means home by train. For anyone who is having difficulties in bringing the imprinted book maybe the form of Wild Cards I in e-book can be your alternative.

Chris McCree:

Are you kind of occupied person, only have 10 or even 15 minute in your moment to upgrading your mind proficiency or thinking skill perhaps analytical thinking? Then you have problem with the book when compared with can satisfy your small amount of time to read it because all of this time you only find guide that need more time to be study. Wild Cards I can be your answer because it can be read by an individual who have those short time problems.

Dennis Green:

Reading a book to get new life style in this calendar year; every people loves to study a book. When you study a book you can get a lot of benefit. When you read books, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you would like get information about your study, you can read education books, but if you want to entertain yourself you can read a fiction books, this kind of us novel, comics, and also soon. The Wild Cards I provide you with new experience in examining a book.
