Cambodia: Report From a Stricken Land Henry Kamm

Based on his observations over three decades, Henry Kamm, Pulitzer Prize-winning NEW YORK TIMES Southeast Asia correspondent, unravels the complexities of Cambodia. Kamm's invaluable document--a factual and personal account of its troubled history-- gives the Western reader the first clear understanding of this magic land's past and present.

Skyhorse Publishing, as well as our Arcade imprint, are proud to publish a broad range of books for readers interested in history--books about World War II, the Third Reich, Hitler and his henchmen, the JFK assassination, conspiracies, the American Civil War, the American Revolution, gladiators, Vikings, ancient Rome, medieval times, the old West, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
