#### **Kristopher Lewis:**

As a pupil, I exactly feel bored to reading. If their teacher expected them to go to the library or make a summary for some e-book, they are complained. Just minor students that have reading's heart or real their passion. They just do what the educator wants, like asked to the library. They go to presently there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we want. Likewise, word says, many ways to reach Chinese's country. Therefore, this G.I. Joe #11 can make you sense more interested to read.
