Managing People in Education (Centre for Educational Leadership and Management)

'Aims to enhance management practice in education by presenting research findings and theory from a wide range of contributors' - *Skills and Enterprise Update*

'This is indeed a book which could be useful to a much larger readership than the normal closed circle of those working in education' - *Managing Schools Today*

The book presents relevant research and theory in order to enhance management practice in education. The editors' intention is to articulate good practice on the basis of evidence in educational settings. The ideas presented here are derived from international research and practice and apply to all phases of education, with the emphasis on applying research findings to improve practice in schools and colleges.
